Message from the VEO Supervisor
維多利亞教育機構校監的話

Mrs Jennifer YU CHENG
鄭余雅穎女士

Dear Parents,

Time flies, and summer is already here! My sincere thanks to all of you for your unwavering support and heartfelt engagement in the many Victoria Educational Organisation (VEO) landmark events over the past year.

In June, VEO held Graduation Ceremonies for all our K3 graduates. We felt grateful to be able to celebrate their unique accomplishments together with them and their families in person – something few of us will ever again take for granted in our new post-pandemic reality.

This year's Graduation represented hope for the future – as it marked the end of the COVID-19 pandemic, which began just as our young Graduates started their learning journeys at VEO three years ago. Throughout that very unpredictable time, our Graduates exhibited resilience, adaptability, curiosity, and passion for learning – true future readiness for primary school and beyond! We could not be prouder of the learning journey each has taken to reach this point of pride today.

Also in June, we held VEO's first organisation-wide VEO Summer Music Concert, which featured the VEO Joint-Campus Choir and String Ensemble. The concert was a huge success thanks to all teachers and staff who, through their tireless efforts, contributed to the organisation of the event and to all parents for their support and preparing children for their performances. I was deeply impressed by our talented young performers and their enthusiasm and passion for music!

This year also brought new opportunities to connect the VEO community – through PTA campus-based activities and VEO Parent-Child Sports Fun Day! These events brought students, parents, and teachers together, contributing to our students' growth as well as our relationship with the community and Hong Kong.

Finally, my enormous thanks to our amazing VEOPTA committees for your substantial support! Thank you for your passion, devotion, and commitment: for your late nights and early mornings, your attention to detail, and, most of all, your deep love of our students, evident in every parent-child activity, workshop, and arrangement that created amazing experiences and memories for VEO students and their families!

My heartfelt thanks go out to each and every one of you! We look forward to working together to find new ways of engaging for our students and their future ready learning!

Best wishes,

Jennifer YU CHENG

Dear Parents,

As we approach the end of another successful year at VEO, we want to take a moment to express our gratitude for the incredible support we have received from our hardworking and dedicated Parent-Teacher Association (PTA) team. Every year the PTA thinks of wonderful, new, innovative ideas that bring the VEO families together. Their commitment and efforts have played a vital role in fostering a strong sense of community and have helped to create a warm and inclusive environment for all students, parents, and staff members throughout this 2022-23 academic school year.

Some of the Organisation wide highlights this term were: the Jockey Club Children Oral Health Project – Dental Check-up and Oral Health Workshop; Dialogue with a Child Psychologist: The Art of being Empowering Parents; Mrs MAK's Gifted Child Development Sharing Session, and the 'My Dear Future' Parent-Child Drawing Competition.

In addition, every campus-based PTA committee has put together a diverse range of events, including the following: Candy box workshop; 3D Moon Lamp Workshop; Meet Our Exotic Friends Workshop; a Food Drive; a visit to Hang Heung Cake Shop, and various talent shows. As well, we would like to thank the PTA Executive Committee for their support during the campus-arranged sports days.

These events have enriched the lives of our students and created cherished memories from this special time in kindergarten. The team's dedication and meticulous planning have ensured that each event was well-organized, engaging, and enjoyable for everyone involved.

As the school year draws to an end, we have been busy celebrating the K3 Upper Class children's graduation, organised efficiently and beautifully by the graduation committees. As we gather together for the lovely graduation lunches, dinners and camps, we would like to extend our heartfelt congratulations to our graduating students. We also bid farewell to the families who will be moving on, and we thank you for your invaluable contributions to our school community. We wish you all the best in your future endeavours.

Hoping you all have a safe and pleasant summer with your families!

主席的話

Mr Wing Wai LAI (BV)	Mrs Vivian CHAN (LK)
Mrs Joyce LAM (HG)	Mrs Elaine TANG (MK)
Mr Ronnie CHOW (HH)	Mrs Florence LEE-WONG (SH)
Mrs Candy CHUA (HMT)	

As we come to the end of academic year, we would like to take this opportunity to thank you all for your continued support and participation in our PTA activities. Your involvement throughout the year has been crucial to the success of our events and initiatives, and we are grateful for your contributions.

Over the past year, we have worked together with the school to provide a variety of events and initiatives that have brought us all closer together and enriched our children's learning experiences. We recognize that this would not have been possible without the tireless efforts of our teachers and staff. Since our routine is getting back to normal, our graduation activities resumed and we have fully supported the graduation activities and album production, during which we have worked closely with our own campuses' Organising Committees.

Taking this opportunity, we would like to extend our warmest congratulations to our K3 graduates. As we say goodbye to those K3 graduates who are leaving us, we wish them all the best in their future endeavors. To those who will be returning in the coming academic year, we look forward to another year of growth and learning together.

As we look forward to the next academic year, we are excited about the growth and learning opportunities that lie ahead for our children. We are confident that, as a strong and united PTA community, we will continue to nurture the potential of our young learners and inspire them to reach for the stars. We wish you all a safe and enjoyable summer break and look forward to seeing you in the new academic year. Love is all around!

寶翠 新春大吉「團團圓圓」馬賽克掛飾工作坊

14.1.2023

Chief Coordinator 統籌委員：林量偉先生，何林愛梅女士

新春大吉「團團圓圓」馬賽克掛飾工作坊已於2023年1月14日在寶翠校舍成功舉行。本次活動共有45對親子組合參與，活動主題是慶祝農曆新年。

活動當天，本會榮幸邀請到維多利亞教育機構學術顧問，周大福教育集團幼兒教育學術總監黃國成博士為本次活動致送歡迎詞，並帶領小朋友唱兒歌為活動揭幕。

此外，本會亦非常高興邀請到一眾寶翠畢業生及家長回校，與小朋友分享了有關新年的習俗和故事，加深小朋友對中國傳統文化的了解。

同時在各位畢業生的指導下，家長及小朋友學習如何製作馬賽克新年掛飾，並在掛飾上設計吉祥的新年圖案及祝福語。各位小朋友利用了各種顏色和形狀的陶瓷碎片，發揮創意，將不同充滿新年喜慶氣息的设计呈現在掛飾之上。所有家長和小朋友在活動結束時都滿意地帶著自己的作品離開，這些作品不僅是新年的裝飾品，也是對新年的美好祝福。在此感謝何校長，黃博士，一眾回校參與活動的畢業生及家長，家長教師會的委員及教師，以及所有參與者的鼎力支持，祝大家在新的一年裡團圓快樂，幸福安康！

為了讓本校園生能夠親自了解大自然及農圃設施，本會於2月4日與位於堅尼地城的「堅農圃」都市農場合作舉辦了導賞團及種植體驗日。本校一共有30個來自幼兒班及低班的家庭參加。活動當天，大家分成兩組，在工作人員領導下，參觀了農圃內不同的耕種設施。其中最受注目的，就是一座兩層高的水耕玻璃溫室-水耕園。在這溫室內，工作人員講解了全環控水耕技術，讓了解到如何控制溫度、濕度、營養、光照等穩定環境因素，因此農作物不會受到四季天氣變化而影響生長。除了認識不同的水耕植物外，小朋友亦有機會可以近距離觀察植物的生長，並且拍照留念。參觀玻璃溫室後，在工作人員指導下，大家都體驗了耕種士多啤梨的樂趣，包括如何準備種子，泥土，施肥及澆水的過程。大家都很雀躍，小朋友亦都很享受種植的過程，我們還可以把已放種子的盆栽拿回家中繼續種植。在農圃內亦有一個共生園，是一個魚菜共生系統。小朋友了解到如何把魚糞在經過分解過濾及加工後，成為有用的養份，供蔬菜生長；而另一方面，蔬菜的根可以把水池裏的水淨化。小朋友透過這個設施，了解到生態平衡關係及低碳生產模式。這次活動既有趣味，亦富有教育意義，小朋友及家長也獲得了豐富的知識，並且享受了一個美好的週末早上。

Chief Coordinator 統籌委員：Mr Wing Wai LAI

The Parents' Gathering 2023 was a great success and more than 70 parents participated in this event. The Belcher's Campus was very honored to have invited 7 alumni parents back to school to share their experiences and exchange ideas on nurturing their children and their promotion to primary schools. The atmosphere was lively and filled with laughter and conversation. Overall, the event was a wonderful opportunity for parents to come together and support one another in their journey as caregivers and advocates for their children.

Everyone who attend had a fruitful evening. Special thanks to the alumni parents' precious time for doing this sharing with us, as well as the endless support from Principal HO and her school team on this event.

The art jamming workshop was such a fun and exciting experience! On 22 April 2023, kids and parents had a wonderful opportunity to come together and express their creativity and love to celebrate Father's Day through art. The parents and kids through the process of creating a unique piece of art that they can take home and cherish as a special memory.

It was amazing to see everyone's creativity flowing and how each participant's unique style came out in their artwork. The event is a great way to bring kids and parents together and create lasting memories, and what better way to celebrate Father's Day than by creating something special and unique to your dad.

I sincerely thank Principal HO, teachers and PTA team for organizing such a wonderful event.

HMT | Lunar New Year Fair

何文田 | 年宵市場

18.1 - 19.1.2023

Chief Coordinator 統籌委員：Ms Candy CHUA

With Chinese New Year approaching, to celebrate and provide the students with a festive atmosphere, a Lunar New Year Fair activity was organised on Campus across 2 days, both in the morning and afternoon.

Our students gained valuable experience in daily life by participating in the Fair, deepening their understanding of Chinese traditions, and enhancing their communication skills. The event included a variety of activities such as 'Fai Chun' making, lion dance, Chinese New Year flower appreciation, ball games, playing musical instruments, and sticker collecting. Each child was provided with a set of pretend money that they could use to participate in each activity.

The students were able to put into practice the various skills they had learned, such as teamwork and creativity, while participating in the activities. The 'Fai Chun' making and lion dance activities allowed the children to gain insights into Chinese culture and traditions, while the ball games and sticker collecting provided opportunities for the children to socialize and have fun.

Overall, the Fair was a great success, providing an interactive and engaging experience for the students. The event allowed the children to learn more about Chinese traditions and customs while also developing their social and communication skills in a supportive and fun environment.

We would like to express our kind thanks to Principal KWOK, teachers, Parent volunteers and ground staff for their support. Thank you also for the guest appearance from Doctor Richard WONG (Academic Director, Early Childhood of CTFEG and Academic Advisor of VEO).

"Love You to the Moon and Back"— 3D Moon Lamp Workshop

何文田校舍《我和爸媽有個約會—3D月球燈工作坊》

11.2.2023

Chief Coordinator 統籌委員：Ms Queenie MAK

In the run-up to Valentine's Day, a workshop split into sessions was organized for children to create their own 3D moon on campus. The event was held in a brightly lit and spacious room, with tables and chairs set up for the children to work on. The children were provided with all the necessary materials, including a spherical mold, plaster, and a range of colors to paint their lamps once they had set.

At the beginning of the workshop, Principal KWOK and Candy CHUA welcomed the students and their parents with a brief introduction. Following the introduction, the event coordinators distributed the necessary materials and provided a step-by-step guide on how to create the 3D moon lamps. The children were given the option to choose from a unicorn, spaceman, or rabbit design for their lamps.

Some of the children decided to personalize their lamps by including the name of their loved ones and adding heart-warming messages. It was heartening to see the children's creativity and thoughtfulness in the designs they came up with. Overall, the workshop was a success, providing an enjoyable and educational experience for the children and their families.

The workshop was a great success, with all of the children taking home their own unique and personalized 3D moon lamps, perfect for Valentine's Day. The event provided a fun and educational experience for the children, allowing them to develop their creativity, learn new skills, and express their love for their loved ones in a meaningful way.

We would like to express our kind thanks to Principal KWOK, teachers and ground staff for their support.

Primary One Application Process Webinar

線上家長小一分享會

12.5.2023

Chief Coordinator 統籌委員：Ms Queenie MAK

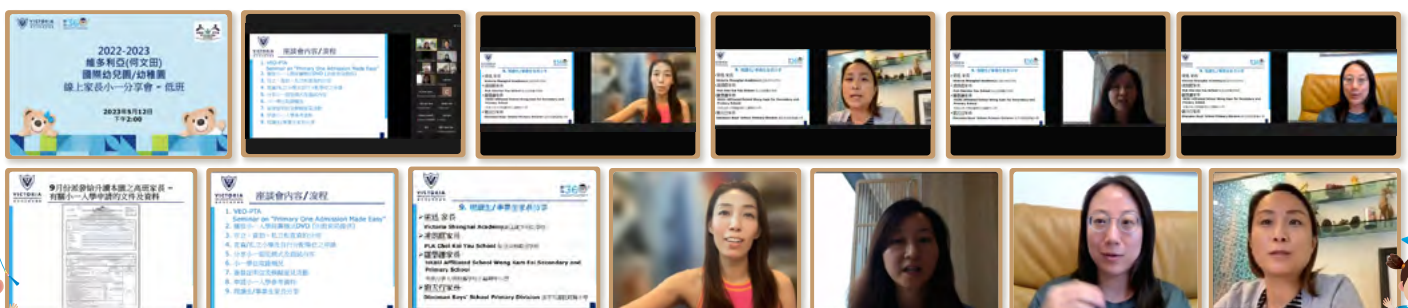

To enhance parents' understanding of the Primary One Admission System, the VEO PTA arranged an informative session led by our esteemed teachers and current parents in K3. The main purpose of this session was to provide parents with valuable insights into the application process for Primary One, including the logistical and operational aspects of the admission system, as well as tips for interviews from various schools.

The parents' enthusiasm was evident as they actively engaged in the session, posing numerous questions. Following the event, attending parents gained a clearer understanding of how to navigate different school application processes along with guidance and help for our students. Most importantly, they acquired deeper insight into the actual school environment, enabling them to identify which schools would best suit their child's character and further nurture their passion and curiosity for learning. Ultimately, the aim was to provide their child with a more enjoyable and meaningful primary school experience.

We express our great thanks to the parents who volunteered their time during their day to help VEO students get ready for their next journey.

HG 君匯港 | Parent-Child Easter Basket Workshop 親子復活節花籃 Cupcake 工作坊

25.3.2023

Chief Coordinators 統籌委員：Mrs Regine TSO, Mrs Esther CHENG

Due to the epidemic condition in these couple of years, all catering activity has been suspended previously. We can resume the catering activity in this Easter finally.

Harbour Green campus hosted the DIY cupcake workshop in 2023 Easter, letting our children and parent to create their own unique Easter cupcakes. It was a perfect chance for finger muscles, flexibility, and patience training for our children. During the activity, children follow the guidance of the instructor and use their own little creativity to make unique cupcakes, that was a great opportunity for our children to utilize their creativity. We believe that this experience will definitely bring a lot of joy in this Easter.

The DIY cupcake parent-child workshop has been successfully completed. I would like to thank every child and parent for their participation, the school's support, and our PTA executive committee. We could all feel a great accomplishment afterward.

Happiness is when you can share love with people who are in need. On May 22-Jun 2, 2023, the HGPTA partnered up with Feeding Hong Kong and organized a Food Drive to educate our students in spreading this love & care. Within a short 2 weeks time frame, we received a great response from our students & their families, donating bags of rice or noodles, bottles of oils and can foods. Promoting charity work to our students since young has always been an important mission for us. Hence, we feel truly proud that our HG VEO families can play a part in helping out the community this time. Thank you to Principal Chan and all HG staffs in strongly supporting this event.

What kind of food that maybe able to share the heritage of Hong Kong traditional pastries? Hong Kong Hang Heung Cake Shop's ("Hang Heung") 香港恆香老餅家 traditional wifey cake is definitely one of them. We are delighted that Hang Heung provided our parents and children a privileged and unique factory tour plus Hong Kong traditional pastries workshop.

A Saturday morning in a room spread with the aroma of freshly-baked Hong Kong traditional pastries. Our students tried to make the traditional pastries together with their parent in a bakery factory, they had learned to be patient while listening to the instructions by the pastry chef, keep both hands clean all the time and most importantly observe and keep safely. It's a great chance for our children to see how machineries may help in the factory. The students were able to pick up the freshly made eggrolls from the production line. Its definitely an eye-opening experience.

In February 2023, students and parents from Lower and Upper Kornhill gathered at the Lower Kornhill campus to meet with 12 special friends, including scorpion, hairless guinea pig, hedgehog, turtle, toad, snake, lizards and ... a gigantic iguana!

For many of our little risk-takers and parents, it was their very first time to see and touch these beautiful species. It was heart-warming to see our students handling these little animals so gently and kindly.

During this interactive event, we learnt about the habits and habitats of exotic animals and the importance of living harmoniously with nature and an eco-centric mindset.

Establishing proper oral health habits at an early age is crucial for children's lifelong health. In April 2023, Lower Kornhill PTA participated in the Jockey Club Children Oral Health Project, promoting good oral health practices among children.

Dr Conson YEUNG of the University of Hong Kong (HKU) shared common oral health problems in preschool children with parents at a webinar. Our students cooperated well during their onsite dental check-ups and some were even excited to have their dental checked alongside their friends and siblings. They had fun dressing up as dentists during role-play sessions, and learned about oral care and healthy eating habits from the REAL dentists.

The project was a fun and educational experience for our students and parents. It helped to raise oral hygiene awareness and encouraged children to develop good oral care habits. We are glad to have participated in the project and hope our students will continue to show their healthy teeth and wear those confident smiles on their faces.

Dialogue with a Child Psychologist: The Art of Being Empowering Parents 與兒童心理學家的對話：父母賦予孩子權力的藝術

10.5.2023

Chief Coordinators 統籌委員：Mrs Vivian CHAN, Mrs Angel KAN

As parents, we all want to create a loving environment and make decisions that support our children's future success. However, it is also an art to strike a right balance between our children's inner needs and our vision of a "bright" future.

The LK PTA recently organised a fireside chat on child development, featuring guest speakers, child psychologist Dr Angel LAI and art therapist Mrs Vivian CHAN, which provided valuable insights on how we can create a nurturing environment that fosters children's growth and development as supportive parents. We were delighted to see many parents actively engaging in our sharing session.

We believe in empowering children to discover their potential and building their self-confidence and self-esteem together, which will serve them well in the long run on all aspects of their lives. The PTA is excited to continue working with parents on empowering their children and help them reach their full potential.

OP Parent-Child Easter Cakepop Workshop

海之戀 復活節棒棒蛋糕工作坊

25.3.2023

Chief Coordinators 統籌委員：Mrs Regine TSO (HG), Mrs Esther CHENG (HG)

Easter holiday has always been one of my favourites growing up. The colourful displays and fun activities for children were definitely a hit. This year for our VEO Ocean Pride campus was no different. The PTA organized a professional team of cake pop bakery artists to put a little spin on your traditional Easter egg. Not only was this a fun and creative event, it was a delicious one as well! The children were able to design cute and colourful Easter animal themed cake pops with their favourite colours and flavours. We then arrange the cake pops in a classic Easter egg basket to bring home to share with our loved ones. I think this was the perfect snack for all of our hungry little Easter bunnies! Special thanks to all the parents who came out and got involved with their kids' Easter experience.

With the world returning back to normal, I look forward to making memories and participating in more events with our VEO Ocean Pride family in the future. Our kids deserve it!

海之戀 | 「愛·分享」食物大募集

22.5 - 2.6.2023

Chief Coordinators 統籌委員：Mrs Esther CHENG (HG), Mrs Camille TANG (HG)

"Sharing is caring. Oh sharing is fun" and it's not just a catchy lyric – we can put it into practice too! Ocean Pride Campus was thrilled to take part in the "Share the Love" Food Drive, a fantastic charity event hosted by the PTA from May 22 to June 2, 2023.

This event was a fun and meaningful way to introduce the concept of sharing to all the little ones. By bringing food to school and putting it in the donation box, they experienced the joy of giving firsthand and saw the impact of their actions. This also fostered a sense of community and social connection.

We would like to take this opportunity to thank Principal Wu, all the teachers, and the PTA executive committee for organizing this event. A big thank you to everyone who participated!

Together, we made a real difference and showed that "sharing really is caring"! We're already looking forward to more amazing events in the coming years, with even more activities and opportunities for our children to learn and grow.

Downtown organic farmland and greenhouse in the middle of the city? Yes, right at the harbour front in Kennedy Town! This Saturday morning, our South Horizons and Belcher Campuses visited K-Farm with a total of 60 children and parents for some urban farming experience. A private guided tour was given on various parts of the farms to demonstrate various farming techniques, followed by a first-hand farming experience from preparing the soil in pots and tucking the seeds in to watering the plants and pollinating strawberry flowers. Then, we put on protective gears to visit the greenhouse, a measure important to keep the plants in the vegreenhouse clean and healthy. There, we learnt violet lights is conducive in bringing about photosynthesis, and we saw that we can grow a range of products like rice in greenhouses, which was fascinating! At the end, we all walked away with some strawberries from the farm in our hands and smiles on our face as it was not only a fun but also an educational experience close to home!

Chief Coordinator 統籌委員：Ms Alexandra TAN

South Horizon campus organized the Parent-Child Creative Clay workshop to celebrate Mother's Day this year. The workshop was a fun and creative way for children to express their love for their moms by creating handmade clay basket flowers. The children and their mothers worked together to mold and shape the clay into beautiful flowers that their mothers could keep as a cherished memory. The event was a huge success, with everyone enjoying the opportunity to bond and create together. Overall, it was a heartwarming and memorable way to celebrate Mother's Day.

Graduation Album 畢業紀念冊

The theme of the graduation album is “Well Being”. In this album, we have put together a beautiful book that captures the memories of our graduating class. The album features the graduates’ photos along with photos from various events throughout the year.

This year we are happy to resume the graduation activities. Since our routine is getting back to normal, after careful consideration and in light of the current situation, we have decided to hold the graduation activities in person such as graduation lunch and outdoor day trip.

I wish to express our deepest appreciation to the 58th graduation organising committee for remarkable contributions in making our graduation celebration a huge success. Congratulations, graduates of the class of 2023!

On 16 June 2023, graduates of BV Campus Class of 2023 had an amazing graduation day tour to Lamma Island. Over 120 participants joined the event and shared the happiness and excitement for the graduates. The day tour started with a walk at Ap Lei Chau Hung Shing Temple, a heritage of Hong Kong traditional culture. Followed by a boat transfer to Lamma Island, the participants explored the Hong Kong early stage fisherman village at Sok Kwu Wan and DIY steamed bun of Chinese Fevevine Herb.

Honourable guests, Principal HO and Teachers gave their blessings to all our graduates and shared their unforgettable moments of nurturing them. In return, the children did their best in singing and dancing in the performance show of the day just like how they have been doing in their daily school-life. We are also honoured to have Dr Richard WONG and Ms Genevieve BEST to sing for us!

From the nerves of their first day in BV to their graduation, these little graduates had accomplished a lot in their kindergarten life. Even though they completed their years of kindergarten study partly at BV campus physically and partly at home via zoom class during the COVID-19 pandemic, they had developed their unique personality as well as valuable friendship with their classmates with lots of cheerfulness, caring and collaboration amongst themselves.

Although there were occasional heavy rain, it did not stop us from enjoying this memorable trip. Our graduates and guests spent the day with lots of play, sweat and laughter. They had enjoyed it a lot with smiles like sunshine. I wish to share with all the graduates a quote by Roald Dahl – “If you have good thoughts they will shine out of your face like sunbeams and you will always look lovely.”

On behalf of the 58th Graduation Organizing Committee, I would like to express our sincere gratitude to Principal HO, Teachers and All School Staff for their guidance and support and fellow parents and volunteers for their time and effort which contributed to the success of the event.

Graduation activity is finally back after 3 years!! With just 2 months to prepare, Harbour Green campus managed to organise a wonderful graduation day camp for our graduates on 20th May at Noah's Ark in Ma Wan. Thank you, Principal CHAN and head teachers, for their full support when we first proposed this event, and a BIG thank you must be given to the hard work of the coordinators and the graduation OCs for making this event possible! We were delighted to have Dr WONG, Principal CHAN, Principal WU and all the students' beloved teachers to join the party! On this very fine day, we started with an outdoor fun group game, followed by a "thank you teacher" session, where our students prepared special performances to show their love and gratitude to Principal CHAN and their caring class teachers. It was very touching and proud to see our little ones performing so well on stage with such a short preparation time, and a round of applause to all the parents who helped the students to practice at home. After lunch, students attended a "survival workshop" during which they learnt how to work with their friends to drill a friction fire and how to set up a simple tent to survive a night in the jungle. Some of the students were so eager to date their friends for a wild camp to test out what they learn. They all grow to be "knowledgeable risk takers"! May their friendship keep growing after getting into primary school.

The Graduation Party of Victoria Nursery (Harbour Heights) was successfully held on 20 May 2023 at The Fullerton Ocean Park Hotel Hong Kong! The Graduation Party was attended by over 200 guests, including honourable guests Mrs Jennifer YU CHENG and Mrs Genevieve BEST, Principal Debbie CHENG, PTA Chairperson Mr Ronnie CHOW, teachers, graduates and their family members. Victor, one of VEO's mascots, also joined our party!

The Graduation Party kicked off with a heart-warming rendition of the School Song by our graduates. It was then followed by inspiring speeches from Mrs CHENG, Mrs BEST and Principal CHENG, who shared words of congratulations and encouragement with our graduates as they prepare to embark on their next journey into primary school!

The Graduation Party was made all the more special by the wonderful performances put on by our talented graduates. We extend our heartfelt thanks to Class Teachers for their guidance and support in arranging the performances, and to our graduates for their hard work in practising the songs and dances. It was a truly touching moment for parents and guests alike, as we reflected on how far our graduates had come and celebrated their achievements. Our graduates also created special thank you posters and cards for our guests and teachers to express their gratitude for their love, care, dedication and teaching throughout these years.

We would like to express our heartfelt gratitude to Mrs CHENG and Mrs BEST for attending our Graduation Party, and for their inspiring words of encouragement to our graduates. We are also deeply grateful to our beloved Principal CHENG, Head Teachers and Class Teachers for their unwavering support and guidance in preparing this memorable occasion. We also wish to extend a special thank you to the Organising Committee and parents for their generous sponsorship and selfless devotion, which made this Graduation Party possible.

The Graduation Party was a wonderful celebration filled with joy, laughter and memories that will be cherished for years to come. We are immensely proud of our graduating class of 2023 and all they have accomplished during their time at Victoria Nursery (Harbour Heights). We wish them all the very best and we have no doubt that they will continue to shine in all their future endeavours! Congratulations, Class of 2023!

We are delighted to announce the tremendous success of our recent 58th graduation lunch, which took place at the esteemed Langham in Tsim Sha Tsui. This unforgettable event surpassed all expectations, with over 160 attendees, including our esteemed guests of honor, Dr Richard WONG, the VEO Academic Advisor, and Mrs Genevieve BEST, our Director of English Studies.

The day was filled with enchanting activities that left a lasting impression on our guests. To capture and share the special moments, a fabulous photobooth was available for everyone. Additionally, a photo corner showcased cherished memories from the past, while a delightful candy corner, adorned with an assortment of treats such as popcorn and candy floss, was a hit with all attendees.

The graduation ceremony itself was an extraordinary occasion, made even more memorable by the exceptional work of our hosts, Dr Suki CHENG and Ms Janet FUNG. They commenced the proceedings with a grand entrance of the graduates, accompanied by the entrance song "Mission Impossible." On stage, we all joined in a heartfelt rendition of the school song. Principal Blanche KWOK graced us with her inspiring words, offering warm congratulations, wisdom, and joy as our graduates embark on their journey to primary school.

Undoubtedly, the highlight of the event was the captivating performances by our graduates. We extend our heartfelt gratitude to the class teachers and all those involved in orchestrating these remarkable showcases. Our talented graduates poured their hearts into practicing the songs and dances, leaving parents and guests deeply moved as they reflected on the incredible progress and celebrated the achievements of our graduates.

Following the breathtaking performances, a mesmerizing magic show took center stage, leaving everyone in awe. Our VIP guests delivered inspiring speeches that resonated with the audience. Dr WONG, a man of many talents, captivated everyone's attention with his captivating story and beautiful song, while Mrs BEST left a lasting impression with her heartfelt poem expressing gratitude and appreciation.

In addition to the speeches, we had the honor of presenting Principal KWOK with a stunning handmade ferris wheel, meticulously crafted by one of our dedicated parents. This masterpiece not only dazzles visually but also boasts the unique feature of lighting up and moving with the help of a remote control. We are immensely grateful to the talented parent who poured their creativity into this remarkable gift, knowing it will be a cherished addition to the school's collection.

We would like to extend our heartfelt thanks to the Organizing Committee, our cherished Principal KWOK, teachers, and parents, without whom this extraordinary day would not have been possible. We send our warmest congratulations to the Class of 2023 on their exceptional achievements, and we wish them every success in their future endeavors. Congratulations, Class of 2023!

On June 14th, 2023, Victoria Kindergarten (Lower Kornhill) finally held its long-awaited graduation party at the Harbour Grand Hong Kong. Despite several years of pandemic-related delays, the event was thoughtfully arranged by our graduation party committee and parent volunteers to provide an extended celebration after our graduation ceremony that morning at Queen Elizabeth Stadium. To make the party even more special, ten alumni from various grades who graduated from the Lower Kornhill campus joined us at this memorable event.

The party began with the graduates' march-in, followed by the school song and a welcoming speech from Principal WONG. Next, our alumni representing all students presented bouquets of flowers to Principal WONG and teachers as a token of gratitude for their guidance and support during their time at Victoria Kindergarten.

Although he couldn't attend in person, our mystery guest, Dr Richard WONG, made an appearance via a music video of a song he kindly wrote for us! After the performance, the graduates presented their thoughtful gifts to Principal WONG, teachers, and staff, expressing their appreciation for their tremendous efforts in nurturing and guiding them through their early childhood. We give a big round of applause to our parent souvenir coordinators for their hard work in designing and handmaking these heart-warming gifts!

Each attending graduate received their graduation certificate, which was a thoughtful arrangement made by Principal WONG and our class teachers. We are incredibly grateful to have such a dedicated and professional team that offered each child a fruitful kindergarten life.

The climax of the party was the song "Grateful". Originally planned for the children to stand and sing, the graduates surprised us all by going onto the stage themselves and turning the song into a performance! As much as we parents enjoyed the last performance by our loved ones, we could feel how much they loved their school and peers. Our audience was deeply touched, and many were moved to tears.

It is bittersweet to see our graduates head towards their desired, yet different destinations. We wish them all a prosperous future, where they can unleash their potential. Precious friendships often start in kindergarten, and we hope that everyone can stay in touch. Once again, congratulations to the Class of 2023!

The Middle Kornhill campus' graduation celebration on May 20th, 2023, was a momentous occasion for the class of 2023 and their families. The event was held at Regals Hongkong Hotel in Causeway Bay, and it marked the first graduation activity in four years, making it even more special.

The event kick-started with parents and little MCs on stage, followed by a grand march-in of the class of 2023 with confidence and joyfulness, which was a proud moment for everyone in attendance. The celebration started with the students singing the school song, and Principal Wong gave a welcoming speech, encouraging the students to embrace challenges as they grow and reminding them that the doors of Middle Kornhill campus are always open for them to come back and visit. We are grateful to have two special guests joining us for the event, Victoria Bear and our beloved Uncle Richard who shared a meaningful story of "A House for Hermit Crab" followed by 3 inspirational and encouraging songs. The highlight of the day was undoubtedly when the students sang "A Little Love" and "感謝我的老師" to express their gratitude and appreciation for their teachers' guidance, support, and love over the past four years. It was a touching moment for both the teachers and parents to see how much the students had grown and developed. Lastly, we concluded the celebration with a "Thank you video" that compiled clips from each graduate sharing their thoughts about graduating from kindergarten, ranging from teachers they want to thank, people and things they would miss, to blessings for their fellow graduates. It was a beautiful way to wrap up this heartwarming and memorable event.

A heartfelt thank you to the graduation OC for putting everything together from planning to execution in 2 months and thank you Principal Wong for her support throughout! Congratulations to the class of 2023, and we wish them all the best in their future endeavors!

On 20 May 2023 Victoria SH graduates, parents, staff and teachers all gathered at the beautiful Repulse Bay to celebrate the graduation of Class 2023! There was bouncy castle, ice-cream cart, plush toy claw machine, themed balloon frame and mini games for everyone to enjoy their time together.

Our English Head Teacher Ms Stacy MARCINKA, Chinese Head Teachers Ms Cindy KAO and Ms Fion YIP shared their thoughtful advice on how to cope in Primary school with the 3 hearts of Love, Confidence and Responsibility, as well as the magical hats of Happy, Sad, Angry and Courage to face the unfamiliar circumstances. K3 Class teachers also recorded their blessings with the help of our video crew for everyone to recap the precious memories of school life and teachers for years, followed by the gift presentation, slideshow of graduates saying "thank you", and A1, A2, A3 class performances prepared by parents and teachers as gratitude to the each other's support and caring in our amazing kindergarten time.

On behalf of parents and graduates, we would like to specially thank our honorable guest Ms Genevieve BEST for her joining and sharing, Principal Karen HO and school for their support, and the organizing committee for their hard work to put this wonderful party together.

We would NOT forget each other, our friendship and love for each other will surely last while we turn into a new chapter. See you soon again friend, meanwhile, take good care, and wish you all the very best for your upcoming adventure!
