Message from the VEO Supervisor
維多利亞教育機構校監的話

Mrs Jennifer YU CHENG
鄭余雅穎女士

“Even though he had a very small heart, it could hold a rather large amount of gratitude,” A. A. Milne wrote in his children’s classic, “Winnie the Pooh”. As we welcome Spring 2024, I want to take this moment to express my deep gratitude to all who make Victoria Educational Organisation (VEO) such a special place. From the classroom, to the sportsground, and everywhere in between, our collective efforts to raise the whole child are driven by a common passion for education and commitment to our students and their futures.

In the spirit of the New Year, I am reminded of another famous quote from “Winnie The Pooh”: “You can’t stay in your corner of the Forest waiting for others to come to you. You have to GO to them.” At VEO, we are committed to encouraging students to EXPLORE the world around them to discover their full potential. The wonder of exploration is a hallmark of the VEO journey, and I would like to thank you for entrusting us with your most precious gift: our creative, inquisitive, resourceful, and resilient VEO explorers!

Over the past few months, we enjoyed many opportunities to seek and explore new avenues together as a community. In September, we held Parent Townhalls for over 400 parents from across nine VEO campuses to discuss the highlights of the VEO 5-Year Strategic School Development Plan, focused on learning and teaching, parent engagement, teacher and support staff professional development, and school transitions and placements. The gathering was also the perfect opportunity to launch the new EduMakers Mobile App, which is helping parents navigate and support students’ future ready education journeys. We hope you are making full use of it!

I would like to extend my thanks to all VEO parents for doing what I know firsthand is the hardest but most rewarding job of all. I would also like to extend my heartfelt gratitude to the VEOPTA for all you do for VEO, organising activities and events that bring us ever closer to one another and make an impact where it counts. From PTA Fun Day, focused on health and wellness and exploring new physical activities to the Boxes of Hope gift-giving charitable activity for under-served children, Newsletter Design Competition, Christmas workshops, and so many more events that allow our students to flex their creativity and explore their surroundings, you prove time and time again that we are a diverse community with so many gifts and talents. There is still more to come – such as the Parent-Child Educational Tour of Osaka 2024, which will be the first overseas school trip since the pandemic!

To all parents and friends of the VEO community, as we open a new chapter together, I wish everyone another year filled with the wonder of exploration!

Best wishes,

Jennifer YU CHENG

Dear Parents,

Happy New Year! As we continue this exciting year of learning, we want to highlight the importance of being an active part of our school community.

Joining Parent-Teacher Association (PTA) events creates unique opportunities to build a strong sense of community amongst parents, teachers, and students and fosters a positive and enriching educational experience for our children. Research consistently shows that children thrive when there is a strong partnership between home and school. Through collaborative efforts, we can create an environment where everyone feels connected and supported.

This term, parents were invited to attend the Children's Health Seminar, the Parenting and Sharing Luncheon, and the seminar on Primary One Admissions. These events aimed to equip parents with valuable insights and resources to help them make informed decisions for their child's health and education.

There were many parent child workshops around Christmas to make Eco Christmas Trees, Gingerbread Houses, Pinecone Christmas Decorations, Christmas Music Boxes, and Turkish Lamps. Other activities included Family Scavenger Hunts and a Fireflies Night Tour. These activities and hands-on parent-child workshops enhance parents' understanding of their child's learning style and development, provide opportunities to explore the children's interests and help to build social skills.

We want to nurture well-rounded individuals who understand the importance of community service. Many families supported initiatives like Box of Hope and the Playright Flag Selling fundraiser, where the aim was to improve the quality of life for children in need. By involving our young ones in such activities, we begin to instil a sense of empathy and responsibility from an early age.

Get ready for an array of exciting activities in the second school term, including our much anticipated Parent-Child Educational Tour to Osaka, Japan! This unique experience will include visiting a local farm, opportunities to harvest seasonal fruits, and witnessing the breath taking beauty of cherry blossoms. We believe such experiences contribute not only to academic learning but also to the overall personal development of our students.

Thank you for your continued support and active participation in our school community. Together, we can make this academic year a truly enriching and memorable one for our children.

Wishing you all a wonderful Year of the Dragon!

Dear Victoria Kindergarten PTA Members,

As we embark on a new academic year, we wanted to share some exciting news with you. This year, we have planned over 30 PTA activities aimed at enhancing the educational experience and fostering a strong sense of community within our parents and students.

These activities encompass a wide range of interests and cater to both parents and children alike. We have organised engaging workshops, informative seminars, fun-filled festivals, and much more. From art and craft sessions to sports events, there is something for everyone to enjoy and participate in. Our goal is to create opportunities for parents, children, and teachers to come together, collaborate, and build lasting connections. By actively participating in these activities, you not only support the growth and development of our child but also contribute to the vibrant and inclusive spirit of our kindergarten community.

I would like to express my heartfelt appreciation to all the PTA ExComs who have put in countless hours of planning and organising to make these activities possible. Your dedication and commitment are truly commendable. I would also like to thank all the parents who have supported and participated in our PTA events this year, especially our parent volunteers. The Teacher Appreciation Day, Playright Flag Sell, Boxes of Hope, Primary One Admission Made Easy, especially, required time, effort, and commitment from our parent volunteers. In fact, the success of all our events would not have been possible without the support of our parents. We cannot thank you all enough!

As we embark on this journey together, I encourage each of you to mark your calendars, get involved, and make the most of these wonderful opportunities. Your presence and active participation will undoubtedly make a difference in the lives of our children. Thank you for your continued support and enthusiasm. Let's make this academic year a memorable and enriching one for our kindergarten community.

Best regards,
PTA Chairperson

28th Annual General Meeting & Seminar on "Understanding Self and Your Child's EQ Post-Pandemic"

第二十八屆週年會員大會及「疫情過後，認識自己及孩子的情緒EQ」講座 17.10.2023

Chief Coordinators 統籌委員：BV: Mr Wing Wai LAI, HMT: Mrs Candy CHUA, MK: Mrs Elaine TANG

Sub-coordinators 副統籌委員：BV: Mr Patrick CHUNG, HMT: Mr Edison YIP, MK: Ms Sally MUI

The 28th Annual General Meeting (AGM) was successfully held at the DSC International School on 17th October 2023 with around 180 participants attended. We were so excited to reunite with our honorable guests and PTA members once again in-person and mask-free. And it was our pleasure to have our VEOPTA Director, Mrs Jennifer YU-CHENG gave an opening speech to kickstart the AGM.

2022-2023 was an eventful year for VEOPTA as we returned to normality and was able to bring back many in-person activities and celebrations. Together, we held several successful VEO-wide events, including Teachers' Appreciation Day activities, Christmas celebration, Newsletter Cover Design Competition and parents' seminars, etc. In addition, the 7 campus teams organized over 30 campus-based events covering a variety of activities from workshops, carnivals, tour visits, outing to parents' sharing & seminars. VEOPTA also assisted K3 parents in organising the graduation album productions and graduation activities. We expressed our deepest gratitude to our VEOPTA Directors, VEO management, all Principals and Excoms who have been extremely dedicated in organising fun, diversified and educational events for our parents and students.

Furthermore, we extended our warmest welcome to all the re-elected and newly elected Excoms to this growing VEOPTA family and bid farewell to 2 Chairpersons who will step down and become Honorary Chairpersons. Together, we look forward to the amazing academic year 2023- 2024!

Following the AGM, we were honored to have Ms Shirley LOO to conduct a seminar on how to better understand and handle children's and parents' own emotions in the post-pandemic period. Ms. Loo shared practical tips and suggestions enabling us to strengthen our bonding and develop healthier relationships with our children. To wrap up the evening, a few lucky enthusiastic parents also received books written by Ms LOO as gifts.

VEOPTA Newsletter Cover Design 家教會會員通訊封面設計

Chief Coordinators 統籌委員：BV：Mr Patrick CHUNG, Mr Adrian FUNG, Mrs Karen LIU
HH：Mrs Aimee CHAN, Mrs Denise CHEUNG, Mr Ronnie CHOW

The Newsletter Cover Design Competition has been one of the most popular cross-campus events since 2021 when the first competition was held. This year is the fourth times that VEOPTA organize this event and we are pleased to receive a total of 191 submissions. The theme for this year is 'Little explorer of the wonder world' and all the participants have showcased their creativity and fully unleashed their artistic talent. All the entries are amazing and full of novelty. We would like to thank our children for making the effort to create such wonderful artworks.

Congratulations to our overall winner, Mateo LAM from Harbour Green Campus, PNA1am class! As you can see from the cover of this newsletter, his picture illustrates the curiosity of our VEO students and the willingness to explore the world surrounding them. Mateo's work is also awarded the 'Best General Aesthetics' in PN group. In addition, 11 artworks from different grades are selected to receive the awards based on drawing skills and use of colour; creativity and relevance to the theme as well as general aesthetics. There are also 40 artworks selected to receive the outstanding award.

An award presentation ceremony will be held on 24th February 2024 at the Leighton Hill Community Hall. Winners of the competition will receive the prizes during the ceremony. To appreciate the effort and provide an encouragement to our students, all participants will be recognized as 'Passionate Artist' and receive a medal during the ceremony. Alongside with this, all the artworks submitted to this competition will be displayed during the event.

Last but not least, a special thanks to our judges, Dr Richard WONG, Mr Cassy YU, Ms Becky TSANG and Ms Grace CHAN for their valuable time and careful considerations in selecting our winners. As all artworks are of high quality, it is truly a challenging job!

Seminar on "Primary One Admission Made Easy"

家長小一分享會

20.9.2023

Chief Coordinators 統籌委員：LK: Mrs Vivian CHAN, HMT: Mrs Candy CHUA, CWB: Mrs Fiona AU YEUNG

The VEO PTA hosted an informative seminar "Primary One Admission Made Easy" at DSC on 20th September 2023. The event aimed to simplify the Government's Primary One Admission System and provide parents with valuable insights.

Over 150 enthusiastic parents from VEO and CWB Victoria Kindergarten attended the seminar. A representative from the Hong Kong EdB served as our guest speaker, sharing their expertise on the Primary One Admission System. Their insights helped parents better understand the system and make informed decisions for their children's education.

The seminar provided a platform for parents to gather information and engage in discussions. It empowered them to navigate the complexities of the system and ensure a smooth transition to primary school for their children.

Parents learned about criteria, procedures, and requirements, enabling them to make well-informed choices for their children's educational needs.

We extend our gratitude to all the parents who attended the seminar and contributed to its success.

Let us continue to empower ourselves with knowledge as parents and make informed decisions for our children's education. Together, we can ensure a seamless transition to primary school and provide the best opportunities for their future.

Box of Hope 小禮物大意義

Chief Coordinators 統籌委員：HG: Mrs Meagan PAU, HH: Ms Aimee CHAN, HMT: Mr Jonathan VOO
LK : Ms Cindy CHEUNG, MK: Mr Joseph LUK, OP: Mrs Anita NG

In the vibrant month of October, our school embarked on an inspiring journey, teaming up for the first time with the charitable organisation Box of Hope. This event was a unifying experience for our diverse campuses: Lower Kornhill, Middle Kornhill, South Horizons, Harbour Green, Ho Man Tin, Harbour Heights, and Ocean Pride.

Under the banner “Children Helping Children,” our initiative sought to sprinkle a touch of joy and support less fortunate children throughout Hong Kong and beyond. We endeavoured to present the realities of poverty to our students in an accessible and meaningful manner, encouraging them to assemble gift boxes filled with toys, educational materials, and hygiene essentials for peers who seldom receive such gifts.

Our students’ engagement in this project extended beyond mere giving; it was a profound learning opportunity about the stark contrasts in living conditions among children, particularly against the backdrop of Hong Kong’s expanding wealth gap. This initiative was a heartfelt attempt to nurture empathy, a sense of appreciation, and a readiness to lend a hand among our young learners.

The campuses burst with unique flair and dedication, with each investing personal time and creativity into various delightful activities aimed at supporting these children. The campuses were abuzz with artistic endeavours, playful games, and dynamic presentations, each contributing a distinct touch to this charitable gathering.

The ingenuity and collective spirit demonstrated by our students and faculty underscore the ethos of unity and kindness we cherish in our educational community. Seeing the profound effect we can achieve when we rally around a shared mission is truly uplifting.

This collaboration did more than make a tangible difference in the lives of children in need—it also instilled in our students values of empathy, collaboration, and civic duty. We trust that these experiences will mould them into considerate and active members of society.

We stand in awe of our student’s accomplishments and are deeply thankful for our entire school community’s steadfast support and involvement. Together, we’ve proven that even the smallest gestures of goodwill, when united, can catalyse substantial and positive change in our world.

Playright Fun Flag Day 2023

智樂兒童遊樂協會賣旗日 2023

23.9.2023

Chief Coordinator 統籌委員：HG: Mrs Joyce LAM

After a 4-year break, we are happy to bring back the Playright Fun Flag Day this year. Playright Children’s Play Association (“Playright”) has been serving Hong Kong for more than 30 years, dedicated to building quality and creative play space as well as creating play experiences for all children. VEOPTA has been working with Playright in the past years in creating high-quality play experiences for our students and supporting their fund-raising events. This time, we had an overwhelming response of 400 families registered for this meaningful flag-selling event.

Our young students bravely approached passersby to sell the flags, and you can see how proud they are for themselves from their happy faces in the photos. They truly demonstrated two of the IB learner profiles – caring and communicators – through their charitable actions. I, as a parent, am very proud of my kids when I saw how they grow in their confidence and communication skills when they talk to others, especially in different languages!

I believed that parents and students enjoyed their time as well. All participants acquired a better understanding of Playright’s mission, that is, to increase public awareness of the value of play for children with different backgrounds in Hong Kong. We would also like to thank school principals and staff for helping with the logistics of this event, and, of course, a big thank you to our dear parents for their support in making this event a great success. We hope that our students will grow into a caring and generous person through participating in these fun charity events.

Christmas Music Box Parent-Child Workshop 聖誕音樂盒親子工作坊

16.12.2023

Chief Coordinators 統籌委員：何江佩林女士，鍾浩宇先生

為了讓本校園生與家長有個特別的聖誕節，本會於12月6日舉辦了聖誕節音樂盒親子工作坊。本校一共有40個來自小組班、幼兒班、低班和高班的家庭參加。活動當天，大家分成十組，每組四對親子，在製作老師的帶領下，參與製作聖誕音樂盒。

孩子們在家長的協助下，按照製作老師的指引，用紅色、綠色、白色和黃色等顏色的粘土，來製作聖誕主題的小物件，如聖誕樹、雪花、禮物盒、糖果、星星及雪花等等。用手捏成所需形狀，或借助工具完成，然後將小物件輕輕按壓固定在音樂盒底座上，完成製作後，大家為音樂盒上添加額外的裝飾，使音樂盒裝扮的色彩繽紛。老師們在製作過程中為每小組攝影留念，記錄用心的製作過程和完成後的喜悅。校長與每小組親切交流，鼓勵孩子們發揮動手能力，並合影留念，記錄孩子們度過的歡樂聖誕節。

此次用輕粘土製作聖誕音樂盒不僅鍛煉孩子的手部操作能力，令孩子們體驗到耶誕節的氛圍，亦增強他們對聖誕節的認知和理解，使家長與孩子一起享受手工創作的樂趣，並創造出一件獨特的聖誕裝飾品，營造溫馨的聖誕氛圍，共同度過了一個快樂的時光。

Preserved (MINI) Pinecone Christmas Tree Workshop 迷你聖誕樹工作坊

9.12.2023

Chief Coordinator 統籌委員 : Mrs Regine TSO

A Preserved (MINI) Pinecone Christmas Tree Workshop was conducted on Harbour Green Campus in 2003 Christmas, and it was fun and exciting!

Both children and parents had a great time coming together and express their creativity in decorating their own Christmas Tree. During the workshop, children follow the guidance of the instructor. Using different types of preserved flowers, such as natural pinecone, sawara cypress, matsukasa head small, aniseed, hydrangea, wooden base, flax rin flower and pinky botton, step by step, decorate their tree.

It was amazing to see everyone's creativity, and each family used their unique style of creativity to decorate their art piece. Finally, many unique pieces of Mini Pinecone trees have been taken home to celebrate this Christmas.

The Christmas workshop has been completed successfully. We would like to thank all the families for their participation. Also, we thank Principal CHAN, the teachers, and our PTA executive committee for their support.

A Parenting and Sharing Luncheon by Shirley LOO

20.9.2023

Chief Coordinators 統籌委員：Mrs Faye TUNG, Mr Ronnie CHOW, Mrs April HUNG

Harbour Heights campus started our school year with the first ever parent luncheon held at The Town in Central. We were honoured to have Shirley LOO, an experienced parent-child and family educator, share with us her insights on how parent's emotional health correlates with children's temper. In recent years, Ms LOO devoted herself in providing and serving in community family projects. She is a frequent guest speaker on family harmony and parenting related topics, while serving in numbers of government committees. Ms Loo is also an inspirational prolific and picture-book writer. Her recent publication –《知己莫若我》has won the "Best Publishing Award in Psychology and Self-help" in the 3rd Hong Kong Publishing Biennial Awards 2021. She is also awarded the "Hong Kong Book Fair Writer of the Year 2021".

During the interactive luncheon, Ms LOO shared with us her hands-on experiences as a grandmother, and tips on curating a healthy environment at home for our children's emotional health. Ms LOO also emphasised the importance of managing our own emotions as parents as it directly affects our children's emotions. She encouraged us to have open communication with our children and acknowledge their feelings in order to raise their own awareness, and learn to manage their emotions.

We hosted 60 parents at this event, and have received many positive feedback of how useful Ms LOO's sharing was.

螢火蟲之夜

1.12.2023

Chief Coordinators 統籌委員：Mrs Joyce LEUNG, Mrs April HUNG, Ms Aimee CHAN

日落黃昏時，大自然裏有一束光，逐漸點綴起黑暗的環境！或許孩子曾在書本或電視上看過螢火蟲，但較少機會親眼目睹牠們，在12月1日，就讓我們藉此機會帶著K2和K3的小朋友們一起去發掘大自然裏的珍寶吧！

活動當天，我們在大埔滘花園路段集合，小朋友們分組，在家長的陪同下，按照專業導師的指引，在漆黑的樹林，變身一名夜間小探險家，我們一起找尋螢火蟲，通過導師的講解，用知識和實踐結合的方式來瞭解螢火蟲的一生。夜幕中螢火蟲或棲息在葉片間或起身飛舞，點點螢光在草叢中閃爍著，如同星河沉落人間。透過微弱的光，我們能看到每個小朋友臉上驚喜的表情。

一路向前，我們還看到了很多小昆蟲，不僅看到了蛇的蛻皮，還有小青蛙、飛蛾、蜈蚣，穿過小溪，我們發現了蠓蟻產卵，小朋友仔細的找尋附著在水草上的蠓蟻卵，玩得不亦樂乎。

此次活動的目的不僅是讓小朋友接觸自然，體驗戶外活動，更是為了通過沉浸式體驗激發孩子們的想象力和好奇心。

我們希望孩子們能夠學會如何與大自然和諧相處，並從中感受到生命的無限可能。

lose to 50 families from the Lower Kornhill campus participated in the Eco-Friendly Christmas Tree DIY Workshop. Led by the instructor, parents and children assembled, painted and decorated the trees with ribbons, gems and Christmas lights. Santa also made a surprise appearance—he handed out gifts, took pictures and sang Christmas carols with the families, drawing the joyous event to a close. The participants had a fun and memorable morning with their school friends and families.

On September 6, 2023, we held an on-campus sharing session for our MK parents on the importance of parent-school collaboration to our children's academic and personal development. Principal WONG kickstarted by sharing the benefits of parent-school collaboration and what roles parents can play. Next, PTA Excoms shared the PTA's mission, how PTA activities/seminars have helped strengthen relationships between school, parents and children and most importantly, how parents can get involved!

Meet Our Exotic Friends Workshop 奇趣動物體驗工作坊

14.10.2023

Chief Coordinator 統籌委員：Ms Sally MUI

To start off the new school year, our parents and students have turned into brave adventurers! They have met some new exotic friends – including a lizard, hedgehog turtle, giant snake, spider and a talking parrot. Our little adventurers have gently stroked their new friends, and some have even put them on their heads! Thank you to Ivan from Mr Ivan’s Natural Meeting Room, who has brought us these special friends. During this interactive workshop, we have learnt the importance of living with nature and about these exotic animals, their habitats and habits.

Christmas Carnival 聖誕同樂日

2.12.2023

Chief Coordinators 統籌委員：Ms Sally MUI and Ms Tobey WU

Our Christmas Carnival was a special event that captivated the hearts of our campus’ children and their families. We offered different interactive activities that embodied the magic of the holiday season. Our boys and girls enjoyed a variety of activities including booth games, such as penguin bowling, face painting, arts and crafts with a snowman theme and a magic show. Our Carnival was capped off by a visit from Santa himself! It was not only a celebration of joy which brought families together, but it also taught our little ones about the importance of sharing, caring, and holiday spirit!

Christmas Gingerbread House Decorating Workshop 聖誕薑餅屋工作坊

16.12.2023

Chief Coordinator 統籌委員：吳蘇穎斯女士

在聖誕節期間製作薑餅屋已成為許多家庭的傳統活動。芬芳的薑餅麵團在烘焙時散發出愉悅且充滿節日氣息的香味。及後，人們可在薑餅屋裝飾上各種色彩繽紛的糖果、糖霜和其他可食用的裝飾。在製作和裝飾薑餅屋的過程中，家庭成員能夠互相交流、合作並創造美好的節日回憶。

因此海之戀分校家教會在12月舉行了聖誕薑餅屋工作坊，家長們踴躍報名，名額在短短20分鐘內便極速爆滿，深受家長歡迎。

當天工作坊導師耐心地示範每一個步驟，大人小朋友也用心學習，他們先用糖霜接合房子，再配上色彩繽紛的糖果作裝飾，最後各家庭施展渾身解數，發揮創意設計薑餅屋。

這次活動中最大的收穫當然是親子間的互動，除商量薑餅屋的設計外，製作過程中的默契更為可貴：有家長塗上糖霜，由孩子們灑上糖果，也有家長執著孩子的小手，畫上喜愛的圖案、寫上家人名字等等，每個家庭都完成了獨一無二的薑餅屋了。

看到每個家庭捧著薑餅屋，臉上掛上滿足的笑容離開，正是我們舉辦工作坊的意義。

我們想藉此機會感謝胡校長、所有老師和家教會成員籌劃這個活動，並衷心感謝所有參與的家庭。祝各位聖誕快樂！

Family Scavenger Hunt 秋遊好繽紛

2.12.2023

Chief Coordinators 統籌委員：Mrs Pat CHAN and Mrs Alexandra Choa TAN

The day started with an exciting scavenger hunt where families took time to enjoy the surrounding trees, flowers, and birds within the beautiful Aberdeen Country Park. Parents and children eagerly tackled alphabet and mathematics games as part of our scavenger hunt, incorporating STEAM learning, practicing problem-solving, while having fun outdoors.

Thanks to the help of our South Horizons PTA committee and members and with special thanks to our volunteers – TSE Hei Yee, mummy of Brendon CHENG Ho Yin K2A1 and daddy of Amy ZHAN Yuen PNA1, we were able to set up the alphabet and mathematics games. After the thrilling scavenger hunt, we shifted to the arts and crafts session. Here, our families unleashed their creativity in the Christmas tree and hairstyles making activity. Each family crafted a unique Christmas tree using various materials, leading to a colourful collection of beautiful and festive keepsakes.

The entire day was filled with laughter, joy, and the warm spirit of the holidays.
